General Induction

The Limassol Container Terminal aims to ensure safe and efficient operations. For this purpose, this document has been prepared.

Please study this leaflet carefully to familiarize yourself with the new operational procedures.

ATTENTION

Any violation of the Terminal's regulations may result in temporary or permanent denial of entry.

ΑΣΦΑΛΕΙΑ (SECURITY)

- All personnel must possess and present at the ISPS Gate the Entry Pass (issued by the Cyprus Ports Authority).
- The Civil Identity Card or any other official identification document must be available upon request..
- The entire Limassol Container Terminal is subject to the provisions of the ISPS Code. These provisions include the inspection of vehicles and personnel, and potential restrictions may vary from time to time..
- Photography and videography are prohibited.

ΠΡΟΣΤΑΣΙΑ (SAFETY) ⚠

- The speed limit is 30 km/h.
- Overtaking is prohibited.

- Walking is only permitted inside Warehouse 4 and from the Eurogate bus to the quay.

- Inside the terminal, when you are outside your vehicle, you must wear safety vests.

- Daytime running lights must always be on.

- Smoking and open flames are prohibited inside the Terminal.

- The areas where smoking is allowed are shown on the map with the following sign:

- The national Road Traffic Code applies within the Terminal.
- Parking is only allowed in the designated areas for Transport or at properly marked and signposted spots.

- Vehicles must be in a safe condition.

ROAD TRAFFIC

Personnel enter the Terminal by presenting their ID card at the ISPS Gate.

Driving in the Terminal

Within the Terminal, driving your vehicle is only allowed on the road between the ISPS Gate and Warehouse 4 (green route), where the visitor parking area is located.

Movement of personnel on the quay

The transportation to and from the quay is facilitated by Eurogate's bus service. This includes (but is not limited to):

1. Dock workers
2. Shipping Agents
3. Crew Changes
4. Ship Visitors
5. External service providers(excluding equipment transportation)
6. Government Services

Work Permits

For tasks beyond the supply of materials to ships, such as:

- Hot work (on the quay)
- Use of private cranes
- Placement of equipment on the quay
- Painting or other tanks

A Work Permit issuance system will be implemented. All tasks must be submitted for prior approval.

Movement on the quay

Exceptions for driving on the quays

Exceptions for access to the quays are issued for the following tasks:

1. Supply transportation
2. Equipment transportation
3. Placement of work equipment on the quay for services related to the ship.

Personnel allowed to drive their vehicles on the quay must be accompanied by a Eurogate Operator.

- Vehicles must be equipped with a red beacon as well as the company logo.
- Traffic rules apply.
- Parking rules apply.
- The driver may be required to move their vehicle at any time.

Mandatory Equipment

Personnel moving on the quay must wear at a minimum:

Work vest (high visibility)

Safety helmet

Safety shoes

TRUCK ROUTES.

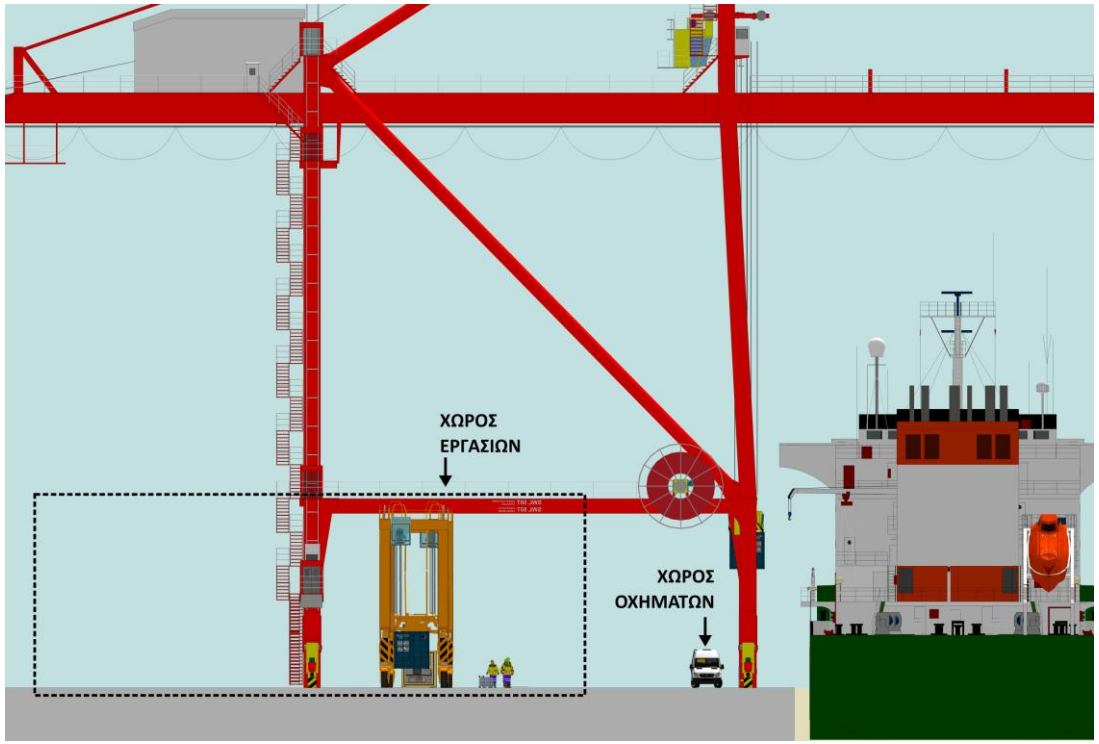
Transportation with your vehicles on the quay

Driving under the Gantry Crane

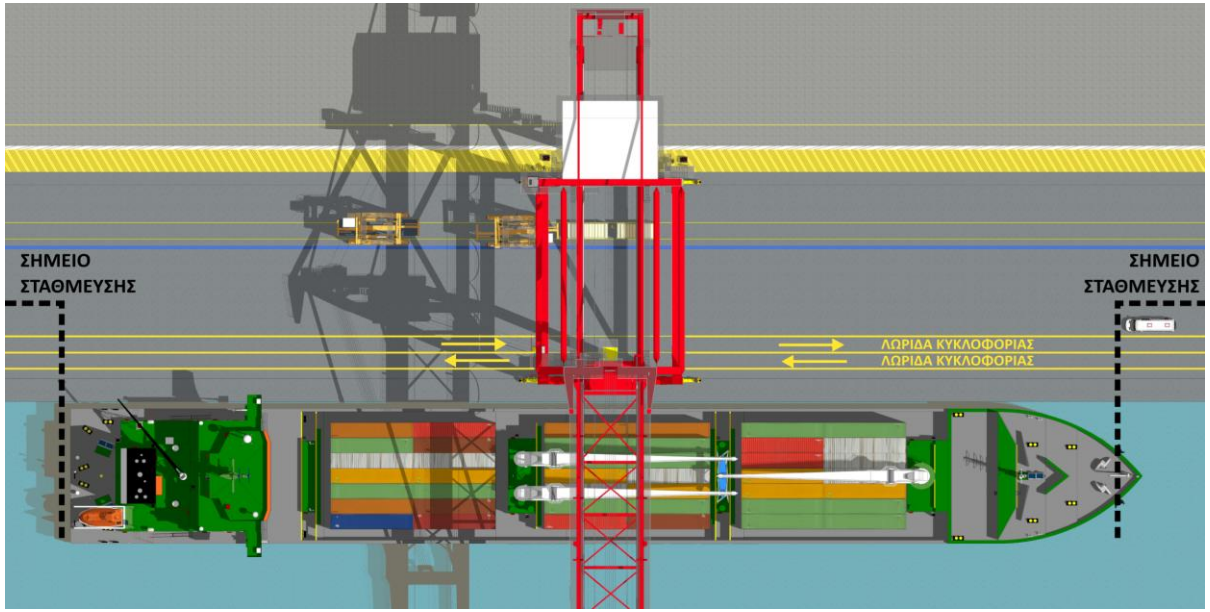
At the quays, only the lane on the seaward side may be used under an operational Gantry Crane.

During the operation of the Gantry Crane, passing under the Gantry Crane **is not permitted without instructions from Eurogate staff.**
Vehicles heading towards the exit have priority.

Individuals approved for movement on the quay with their own vehicle must first obtain approval from the Security Department and be accompanied by a Eurogate Operator.

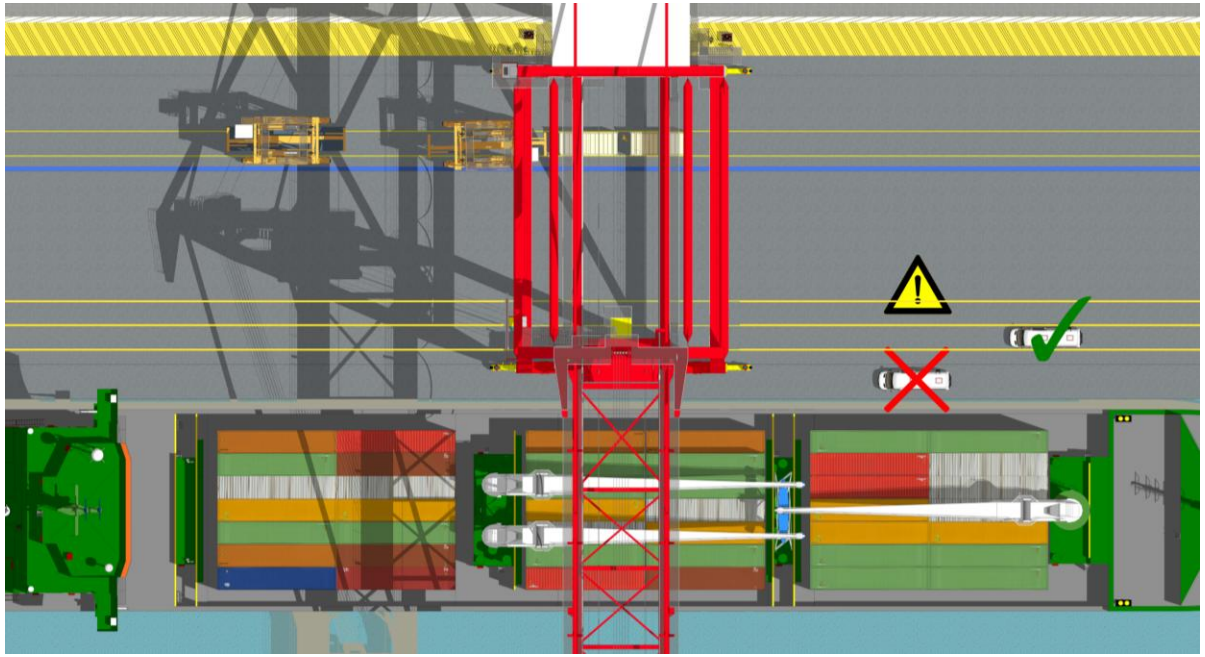


Individuals approved for movement on the quay with their own vehicle must first obtain approval from the Security Department and be accompanied by a Eurogate Operator.



Parking on the quay

Parking on the quay is approved only for ship feeders. Vehicles for suppliers, service providers, etc., will park on the quay from the inner side of the traffic lane on the land side, outside the ship's limits.



Parking next to the ship

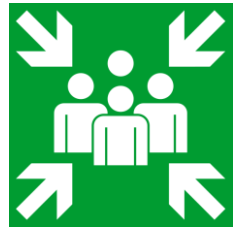
Parking next to the ship is only permitted for vehicles where proximity to the ship is necessary, such as fuel supply vehicles, waste collection vehicles, and vehicles from which supplies are directly loaded, and is coordinated by the Eurogate Supervisor.

Emergency Incidents and Evacuation Procedures

–In cases of problems while in the terminal, personnel shall call the Port-Wide phone number for assistance:

00357 25 858 899

–In case of a port-wide emergency, instructions may be given to **evacuate**. Personnel must proceed to the nearest evacuation assembly point, indicated on the map by this sign:



-During evacuation, proceed to the assembly points, without panic, **on foot**.

UNDERSTANDING AND ACCEPTING THESE TERMS

- In order for your Security Card to be accepted, you must hand in to Eurogate, a signed **Form of Consent**, that you have duly read and signed the present manual.

- I understand that Eurogate may utilise the data provided from me for the purposes of Security, communicating information to Government Competent Authorities.

- You may acquire a Form of Consent (EGCTL-125915627-264) from the Eurogate website (www.eurogate.eu) or from your employer.

- Any violation of these regulations may lead to the immediate withdrawal of the permission to enter the EUROGATE Container Terminal Limassol.
