1 General provisions

1.1 Provisions for use of facilities

Along with current statutory regulations, use of facilities shall be governed by the regulations contained in these Prices and Conditions and by the Standard Terms and Conditions of Business of the EUROGATE Group in its latest version.

1.2 Orders for use of facilities

Orders must be given for use of facilities; such orders must be made to the Company concerned in electronic form.

1.3 Charges

1. Gross weights and dimensions shall be used for calculation. Packaged weights over 10 t must be declared separately.
2. The weight shall be rounded up to a full 100 kg.
3. Dimensions shall be rounded up to a full 0.1 cbm.
4. Minimum charge: **EURO 50.00**, unless agreed otherwise.
5. The prices specified in this Statement are for packages in seaworthy packaging of a kind customary in the industry and are applicable only if the goods are not subject to special provisions of the GGv-See (ordinance on transport of hazardous substances by seagoing vessels) or other legal provisions.
6. For services which are not indicated in this Statement or which require special expenditure, charges must be agreed upon with the Company in advance.
7. Charges apply on weekdays Monday to Friday for the First and Second Shift. Work outside these hours is possible on request. Extra charges will be levied for work outside these times.
8. All charges are net amounts in terms of the VAT Act. In case that tax-free sales for shipping are claimed this can only be effected by an official certificate of the tax authorities. This certificate has to be presented in advance.
9. As a rule, the charges and expenditures shall be collected in arrears; however, the Company shall be entitled to require advance payments. For goods in storage passing into other hands, charges up to the date when transfer of ownership takes place shall be paid immediately.
10. Invoices shall be payable immediately upon receipt. Incoming payments shall be set off against the oldest accounts receivable. After 7 days, arrears interest may be charged, amounting to 5 % above the discount rate of the European Central Bank.
11. Issue and dispatch of additional invoice copies will be charged as of the second reprint and will be charged per invoice copy as certificate fee according to section 10.4.
12. A 1.5% social fund will be charged on all services.

The following shall be excluded:

- storage charges
- materials for stowing and lashing
- security charge

1.4 Liability for payment

1. The liable debtor shall be the client, unless particular exceptions are stated below.
2. For the use of the quay by a seagoing vessel, charges shall be made to the ship's agent.
3. Handling charges for goods via quay shall be made to the following:
 - a. For outgoing sea traffic, to the issuer of the port record, or in other cases to the earlier client;
 - b. For incoming sea traffic, to the recipient of the cargo, or in other cases to the earlier client;
 - c. For ship's equipment and provisions to the ship's agent.
4. If the shipping company assumes payment of cargo handling charges, the client shall remain liable for payment along with the shipping company.
5. Storage charges shall be made to the respective client. In the case of import cargo this shall be for the whole storage period, even should the cargo be released later.
6. If, in the case of goods in transit (land/land Container), the right of disposal changes, the first client shall remain liable for payment of charges.
7. Charges for any services not specifically mentioned shall be made to the respective client.
8. The acceptance of the order implies that the client has agreed on direct debit in advance.
9. Any offset against the Company's accounts receivable is hereby excluded, unless the counterclaim put forward for offset is uncontested or has become res judicata.
10. The Processing of invoices will be done by electronic mail having attached a PDF-File. In addition the parties may mutually agree to transmit invoice data by UN EDIFACT message INVOIC.

2 Vessel charges

Vessel charges will be calculated for the use of handling facilities by a seagoing vessel in accordance with:

- The gross tonnage (GRT) and lay time of the vessel (berthing charge)
- The volume of cargo loaded / discharged (quay dues).

Charges shall be paid by the shipping company or its agent. The provisions of Section 1, Paragraph 1.4 shall not be affected thereby.
