Should any additional security or safety zone be required to ensure the safety or security of the vessel and the port, the diameter of this safety zone will be taken as the length of quay occupied and charged.

** The surcharge relates to the handling and destuffing of overweight containers to enable their safe transport by truck as per the regulations of the Department of Road Transport. The service includes moving the container to a designated area in the yard, destuffing a portion of the cargo and loading it to second vehicle utilized by the cargo owner.

3. PAYMENT TERMS

- A. All invoices must be paid within 10 calendar days after date of invoice. Invoice amounts which are in dispute shall not uphold payment of the not disputed invoice amounts. EUROGATE Container Terminal Limassol Limited reserves the right to charge an interest of 4 percent per year on invoice amounts where no payment is received timely on agreed bank accounts without the necessity to send a reminder.
- B. If the customer decides to pay the outstanding amount to a third party, the customer will only be discharged from the obligations if the outstanding is received timely in full on the agreed bank account.
- C. In the event of delay in payment of invoices by the customer, and without prejudice to the claim for interest, EUROGATE Container Terminal Limassol Limited shall be entitled to request a cash payment in advance for each and every subsequent containership arriving at its quay equal to the estimated billing for the port call until all the outstanding, in capital and interest, have been fully paid by the customer.
- D. Unless specifically stated otherwise, all amounts payable stated in this schedule of rates are exclusive of value added tax and any other duty or tax, which shall be applied as prescribed by law.

4. Other

- A. **The above Charges shall be subject to periodical review by EUROGATE.**
- B. **Eurogate General Terms and Conditions are valid and jointly applicable with Tariff.**
